Creating awareness on **evaluation and SDGs**

Collective action to push evaluation agenda

Continued and regular interaction during COVID-19 using virtual platforms

Real time updates on social media and dialogues

Communication among various stakeholders on the crafted messages

Networking and frequent communication

Global coverage

What can we do better?

More awareness around the
Decade of Action

Outreach to the policy makers, public
and officials outside typical
evaluation circles

More awareness at the **grassroots
level**

Prioritize inclusivity (gender, people
with disabilities, indigenous people,
etc.)

Work in **different languages**

Greater **balance in geographical events**

A mix of virtual and f2f events organized
at **national levels**

Include more **cross-regional** cooperative
actions/events

Promote **stories of actions** using videos

More **interactive sessions**

Which activities should your region prioritize?

Would you like to engage with regional partners, and how?

Organize events

Facilitate discussions

Join committees

Country level networking and advocacy

Coordination

Host an event/co-produce events

Organize and conduct capacity building activities
